

Hello Xplorers,

Hope your learning is going in full swing. Are you wondering what's new, what's next to learn? How about being certified in any of the in-demand technology in TCS? Various Business Groups in TCS have shared the popular external certifications deemed relevant for their business demand

Why Certify?

1. Adds value and visibility to your profile leading to Customer Recognition
2. Helps deeper learning and validate the skills you have gained in advanced technologies
3. Quick absorption into projects and increases your chance of working in the certified technology.
4. Reimbursement of the certification cost when you join TCS. Isn't it exciting?
5. Sponsorship of next level certifications

Confused on what certification to choose?

- If you are pre-mapped to a unit, get certified in the technology relevant for your unit
- If you are not mapped to any specific unit/ you are pre-mapped to a unit for which no certification is listed – don't worry, you can take up any of the certifications from the below list.

So, what are you waiting for – check out the list and get certified before joining TCS! Your Learning Journey just got Amplified!

Certification List :

Below mentioned table gives the list of certifications which will be reimbursed by TCS. TCS will reimburse the same when you join.

S.No	Certificate Details	Vendor	Unit
